Styling Options:

- **Versatile Styling:** You have the freedom to wash, condition, and style the Raw Extensions to your liking. The hair can be worn in its natural state for a unique, untouched look, or you can use a flat iron for a sleek, silk-straight appearance. For bouncy curls, a curling iron can be applied.

Care Instructions:

- **Importance of Care:** To maintain the integrity of the Raw Extensions, it is imperative to adhere to our provided care instructions. These guidelines are designed to help you preserve the natural beauty of the hair and extend its lifespan.

Customer Responsibility:

- **Understanding the Raw Nature:** Please note that due to the unprocessed nature of Raw Extensions, individual strands may vary in color and texture. This is a testament to the authenticity of the product.
